

Ferrari Owners Club Florida Region
Member Survey

The Ferrari Owners Club Florida Region is currently thriving on the principle that members are encouraged to sponsor events and, in turn, the Club will throw the resources of the club behind their efforts. The Hunters Green event is a recent good example. Watch for that write-up in Pilota. As always, member sponsored events depend on broad member participation for the best outcome.

This communication is a survey of which events you will attend in the next few months. It is being circulated by mail, e-mail, and the web-site. Please let us know which ones you will plan to attend. Please print this page and mail it to the address at the bottom of the page.

October 11, 2009 A PICNIC sponsored by Peter McCampbell from mid-morning to early afternoon at Fort DeSoto Park in Saint Petersburg. Drives may be organized from Sarasota and North Pinellas. This waterfront park offers an incredibly beautiful view of the bridge and adjacent islands and lots to do.

I plan to attend: YES NO

November TBA. A weekend at RIVER RANCH, a resort facility on highway 60 east of Lake Wales. This is a first class operation with modest prices and lots of fun. Horseback riding, barbecue, trap and skeet, golf, swamp buggy rides, and the Saturday night rodeo. There will be some pictures on the web-site regarding this event.

March 12-14, 2010 AMELIA ISLAND. Club member Tony Jarzyna is organizing a Ferrari auto show at the Ritz Carlton to correspond to the famous Amelia Island Concourse de Elegance. Options include banquets, a short rally on the island, and participation in the slot car racing, and participation in the auction, golf tournament, and other events associated with the Concourse. We are looking for classic, older cars or special interest cars because of the nature of the weekend event.

I plan to attend: YES NO

Please let us know as soon as possible which events you will attend. This is only a survey, not a registration. Lacking adequate response, some events may not take place, in which case only those registered will be notified.
